- Integrated Soft-Touch Handle makes for easy handling and control

Integrated Soft-Touch™ handle for easy control

Stand-On-End™ design for security and stability when not in use.

THERAPY ROLLS

Soft-Touch™ Therapy Rolls are designed for applications such as extension and flexion, balance, postural therapy and neuro development activities. To provide a firm platform in therapeutic applications, there is a solid core inside all rolls except for 8 cm [3"] and 10 cm [4"] diameter.
